REMARKS

The railroad shipments observed in the BERLIN Railroad District between 10 June and 1 August 1949 included one car loaded with private property of Genleit AGOLTSOV. The car was dispatched in ~~ORDER~~ on 19 June 1949 and was bound for "E-ss 2".

Comment: Genleit AGOLTSOV is the CinC of the Sixteenth Air Army. According to previous information, the dispatching of private property of Soviet officers usually indicates that the sender concerned is transferred to the SU. Thus, Genleit AGOLTSOV was possibly transferred to the SU for another commitment. No reports have been received giving a lead as to the name of the possible new CinC of the Sixteenth Air Army.
